

Times of Change

Are you tired of Change? We sometimes hear the expression 'Stop the World I want to get off!'

Young people usually look forward to change. I can't wait to finish school....., get my drivers license.... etc etc. But as we get older we sometimes get frustrated by constant change. Just when we think we have our life sorted out someone wants us to change AGAIN!!!!

New road rules..., different taxes..., moving house..., friends moving..., changed community morals levels..., new politically correct terms..., changed technology..., new safety expectations.

When we feel like this we can look to God. We are assured that God is the same from before this World was created, till after it is destroyed. In Hebrews Chapter 1 the Bible tells us...

¹⁰ In the beginning, O Lord, you laid the foundations of the earth, and the heavens are the work of your hands. ¹¹ They will perish, but you remain; they will all wear out like a garment. ¹² You will roll them up like a robe; like a garment they will be changed. But you remain the same, and your years will never end.

In Hebrews 13 we hear similarly of Jesus....

⁸ Jesus Christ is the same yesterday and today and forever.

Even if we are in the midst of change in our lives, an understanding of God's timelessness and love can keep our 'today situation' in true perspective. We can trust God through it all.
